

'18-'19 SOYBEAN STORAGE & DISCOUNT RATES

ALL DISCOUNTS ARE SUBJECT TO CHANGE WITHOUT NOTICE!

ABILITY TO PLACE GRAIN ON HOLD

If you are unsure of what you want to do when your grain crosses the scale, we will put your grain on hold for up to 7 days while you make up your mind what you want to do. If we don't hear from you after 7 days, on the 8th day we will automatically put your grain in storage (we will not change grain status once grain has been put in storage). For pricing purposes, we will price the grain at the current price when you tell us to sell. For storage, drying, and delay price purposes, charges will be figured from the date of delivery. Please ask if you have any questions.

SOYBEAN STORAGE

15 cents per bushel, minimum storage charge until December 1st, 2018, then storage will be charged by the day at 0.1 cents per day which equals 3 cents per month to August 15th, 2019. Soybeans in storage as of August 15, 2019, will be reassessed the new "minimum storage charge" and monthly charges will continue. Soybeans will be shrunk to 13% for storage. A 5 cent out charge will be applied if soybeans are taken out of storage and delivered elsewhere.

SOYBEAN DELAY PRICE (DP)

15 cents to Dec. 1, 2018, then 4 cents per month charged by the day which equals 0.1333 cents per day. **SUBJECT TO CHANGE WITH THE MARKET!**

MOISTURE

All soybeans delivered over 13% will be shrunk at 1.5% per half down to 13%. Soybeans over 15% will be shrunk at 2.0% per half. *We will not average soybean moistures by the day.*

OTHER SERVICES

GRAIN VAC SERVICE FEE:

\$100 per hour with \$200 minimum. The per hour charge includes one man, grain vac. machine, and fuel. If an extra man is needed on the job, he will be charged out at an additional rate of \$30/hour. The per hour rate begins at the time the machine leaves for the farm until the job is complete and the equipment is loaded up with the driver on the road. Multi-day exceptions allowed with approval from management.

HARVEST FARM PICKUP OF GRAIN:

If trucks are available, we might be able to arrange farm pick up of your grain. Loads must be ready to load upon arrival. If trucks are available, a rate will be negotiated between buyer and seller. Trucks will be assigned if available on a first come, first served basis. We would like at least 24 hours of notice for scheduling. *All unsettled trucking charges must be settled up before December 1, 2018.*
