

LELAND FARMERS' COMPANY COLLEGE SCHOLARSHIP

Leland Farmers' Company would like to see a continued strong agriculture economy in the area and would like to support an individual(s) who has an interest in being a part of it in the future. We are offering a scholarship to a student(s) with interests in the agriculture field.

The scholarship recipient will be selected by a committee from the Leland Farmers' Company Board of Directors based on the individual's qualifications, agricultural leadership, and essay submitted. The essay for the scholarship this year will be an answer to the following question, "What do you think is the biggest challenge for agriculture in the future?"

Preference will be given to the children of Leland Farmers' Company patrons. The scholarship will be paid to the College of the student's choice after the successful completion of the recipient's first semester.

The scholarship essay must be submitted to Leland Farmers' Company with a cover letter and resume by April 15th, 2021, no exceptions. Winners will be decided at the April board meeting. For more information, contact Nik Weber at 495-2421.
